Dear Sir:

This Response is being filed in reply to the Office Action mailed October 24, 2003 in connection with parent patent application Serial No. 10/386,904 to which a response is due on or before January 24, 2004.

This Response is filed as part of a continuation application. This Response references the claim numbers as they appeared in the parent application to facilitate review by the Examiner, and includes an AMENDMENT SUMMARY section showing changes made to the claims in the continuation application relative to those as pending in the parent application. The claims in the accompanying continuation application incorporate the changes shown in the AMENDMENT SUMMARY section of this Response, have been renumbered relative to the claims filed in the parent application due to the cancellation of certain claims, and include changes in claim dependency to reflect renumbering of the claims.
